Hardy Little,  
Hope you have the  
bestest summer. I  
really think you'll  
sweet. See ya  
this summer.  
Bye, Nancy

Linda

Hope ya don't mind if we (I mean me) writes across this page. I guess the year has been kinda bitchen but it's better to get it over with. Even though I've known ya for gods of years this has been one of the best. You're a really bitchen, groovy etc girl so ya better stay that way. Remember STP and our little session with Louise. Oh well, I'll guess some people are really pissed. Maybe next year we can have more classes together. Our teachers are really bitchen and our summer was all see ya at the beach. Well see ya at the beach and take it easy. See ya next year. Suu ya! Carol

The spirit of the 1966-67 academic year has been demonstrated as we have organized our new school.

This extraordinary spirit that has been displayed by the student body and faculty is responsible for the tremendous success of the Barons.

Bonita Vista is outstanding in its architectural design, but the enthusiasm projected by the students is even greater. Proof of this is the great number of participants in athletic events, dances, and other school activities.

During our first year at Bonita Vista High School many problems were confronted and decisions were sought. After considerable discussion, thought, and hard work, our natural initiative and dedication has come through to establish our new and unique school.

Bonita Vista High School will be ours always in our memories, and in our hearts. We made this school what it is today with the "Spirit of '67."

Linda,  
 I'm so glad we  
 got to know you - You're  
 really a little crazy but  
 you're a little sweet.  
 I like my friends that way!  
 See ya next fall!

# Dedication

Bonita Vista High School is deeply indebted to Mr. Geyer. His hard work and dedication have made possible the completion of numerous tasks for the betterment of Bonita Vista. Last spring, while continuing his pressing duties at Hilltop High School, he met with officials, interviewed teachers, and successfully organized our school administration. We appreciate Mr. Geyer's sense of pride and duty toward our school, and that he is here to help us solve our problems in a calm, efficient, and effective manner.

With our deepest respect and gratitude, we, the staff, dedicate this EXCALIBUR to our principal, guide and counselor, Mr. Robert L. Geyer.

Linda, you're really cute and sweet and I hope to see you this summer. Love, Joann

Linda, it's been fun havin' a few of my good luck. Love, Joann

The faculty and administration of Bonita Vista High School has succeeded in making the primary, and most important, year a success. With their help, several traditions have been started and school spirit is abundant among students and faculty.

Students seldom realize how much the faculty and administration does for us. By helping to develop and improve our working habits and other activities outside of school, the faculty presents to us a series of exciting challenges which give us the desire to learn, to gain more information and to study things we have never heard of before.

The teachers and vice-principals set goals for us to attain; we are always striving to do so. Encouragement is always near, if needed. As their teachers helped them to succeed in life they are helping us.

Numerous activities have been promoted with the assistance of teachers and the administration. They always have ideas and suggestions on hand for when we run out. Although we students sometimes disagree with the opinions of our instructors, we have now learned how to respect and value their views.

Many students are surprised at the concern expressed over us by the Administration. The counselors know when we are having trouble in a certain class, and do what they can to help us. If it is necessary we are transferred to a class more suitable to our abilities.

All of this and much more, is what our faculty and administration does for us. Each year we become increasingly grateful for all they do.

I wanted to say I like you very much and respect you, even though I was able to get to know you. I want you to have a very nice summer and Good Luck always

# ADMINISTRATION FACULTY

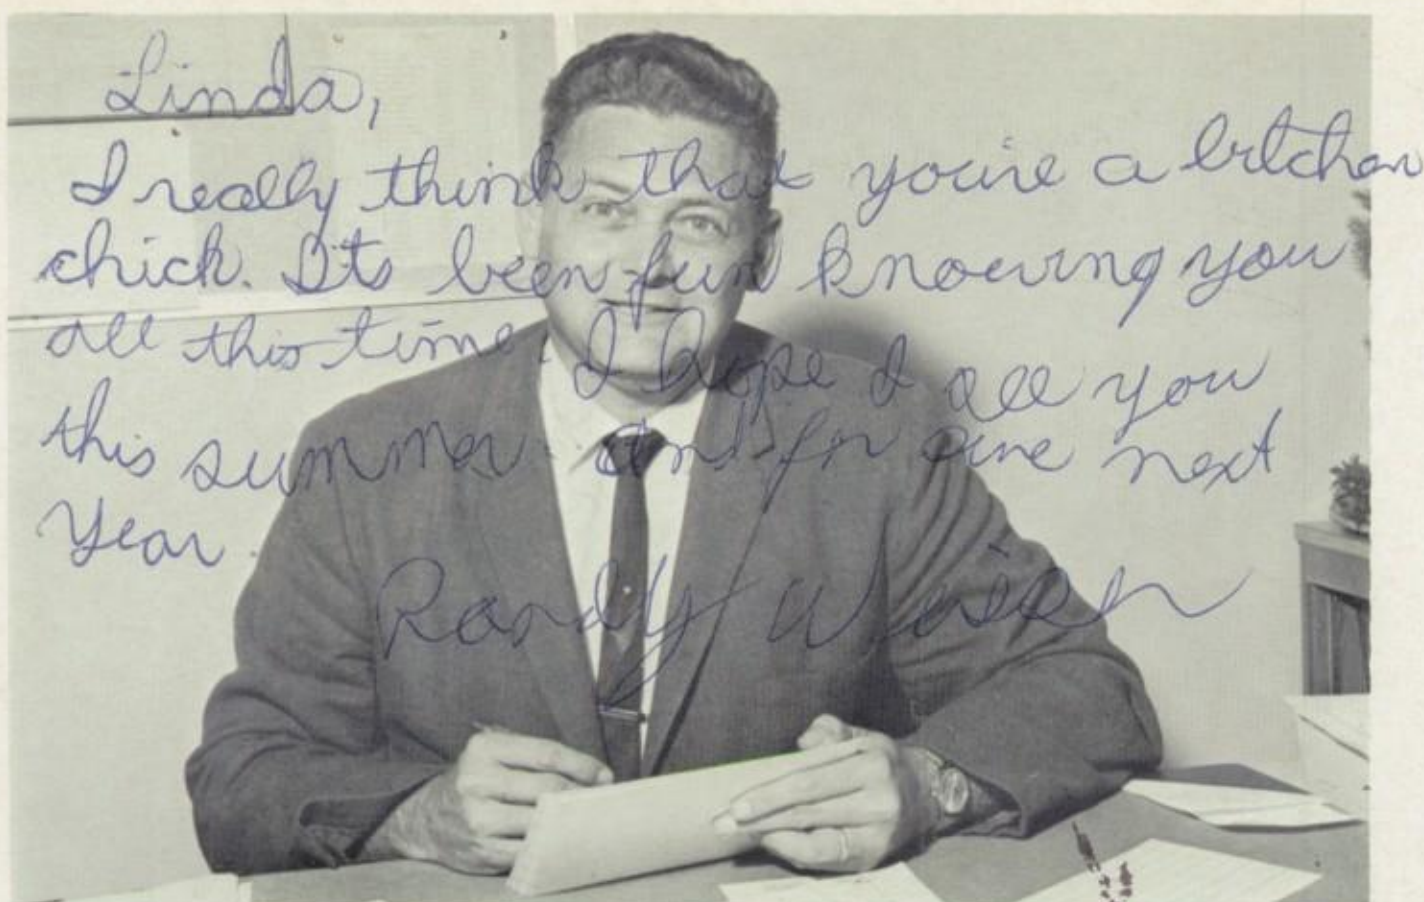

## MR. ROBERT L. GEYER — PRINCIPAL

In his tireless efforts to achieve many goals, Mr. Geyer has won the respect of all those who've known him. The experience he has acquired while working with other high schools has proved to be invaluable and has played a great part in the founding of Bonita Vista.

Although his duties as Principal take up much

of his time, Mr. Geyer has been present at all major activities this year.

He is extremely loyal to our school and has in this first year accomplished many goals which took other schools years to achieve. Bonita Vista High School is fortunate to have such an estimable man for a principal.

MR. DAVID NOE, BOYS' VICE-PRINCIPAL

Mr. Noe, as the Boys' Vice-Principal, is known to be strict, firm, and demanding of discipline. Besides these characteristics he has a great sense of humor and a warm and sincere heart. He takes an active stand in school activities and is often seen in the most unexpected places.

MRS. MABEL SHUMAN, GIRLS' VICE-PRINCIPAL

To many students, Mrs. Shuman is a familiar person. She's frequently interrupted by students with small and large problems. The nature of the problem is of no importance, she assists all who come. Her assistance is of great significance and value to all who attend Bonita Vista.

Mrs. Shuman, who enjoys working with new schools because they offer exciting challenges, has done marvelous work here and greatly improved our school.

MR. TOMLINSON — COUNSELOR

Linda,  
I have not  
knowned you but.  
For very long  
I hope we stay friend  
stay sweet, GOD BLESS  
alone

Being a counselor is never an easy job, but counseling for two grades takes someone who has patience and likes teenagers. The eighth and tenth grade advisor, Mr. Tomlinson, has both of these qualifications.

Linda,  
Been fun having  
you in Drama. It  
just wouldn't be  
the same if you weren't  
there. You had well not  
really cousins, but we can  
just pretend. Good Luck  
always 'Pm

MR. EASON — COUNSELOR

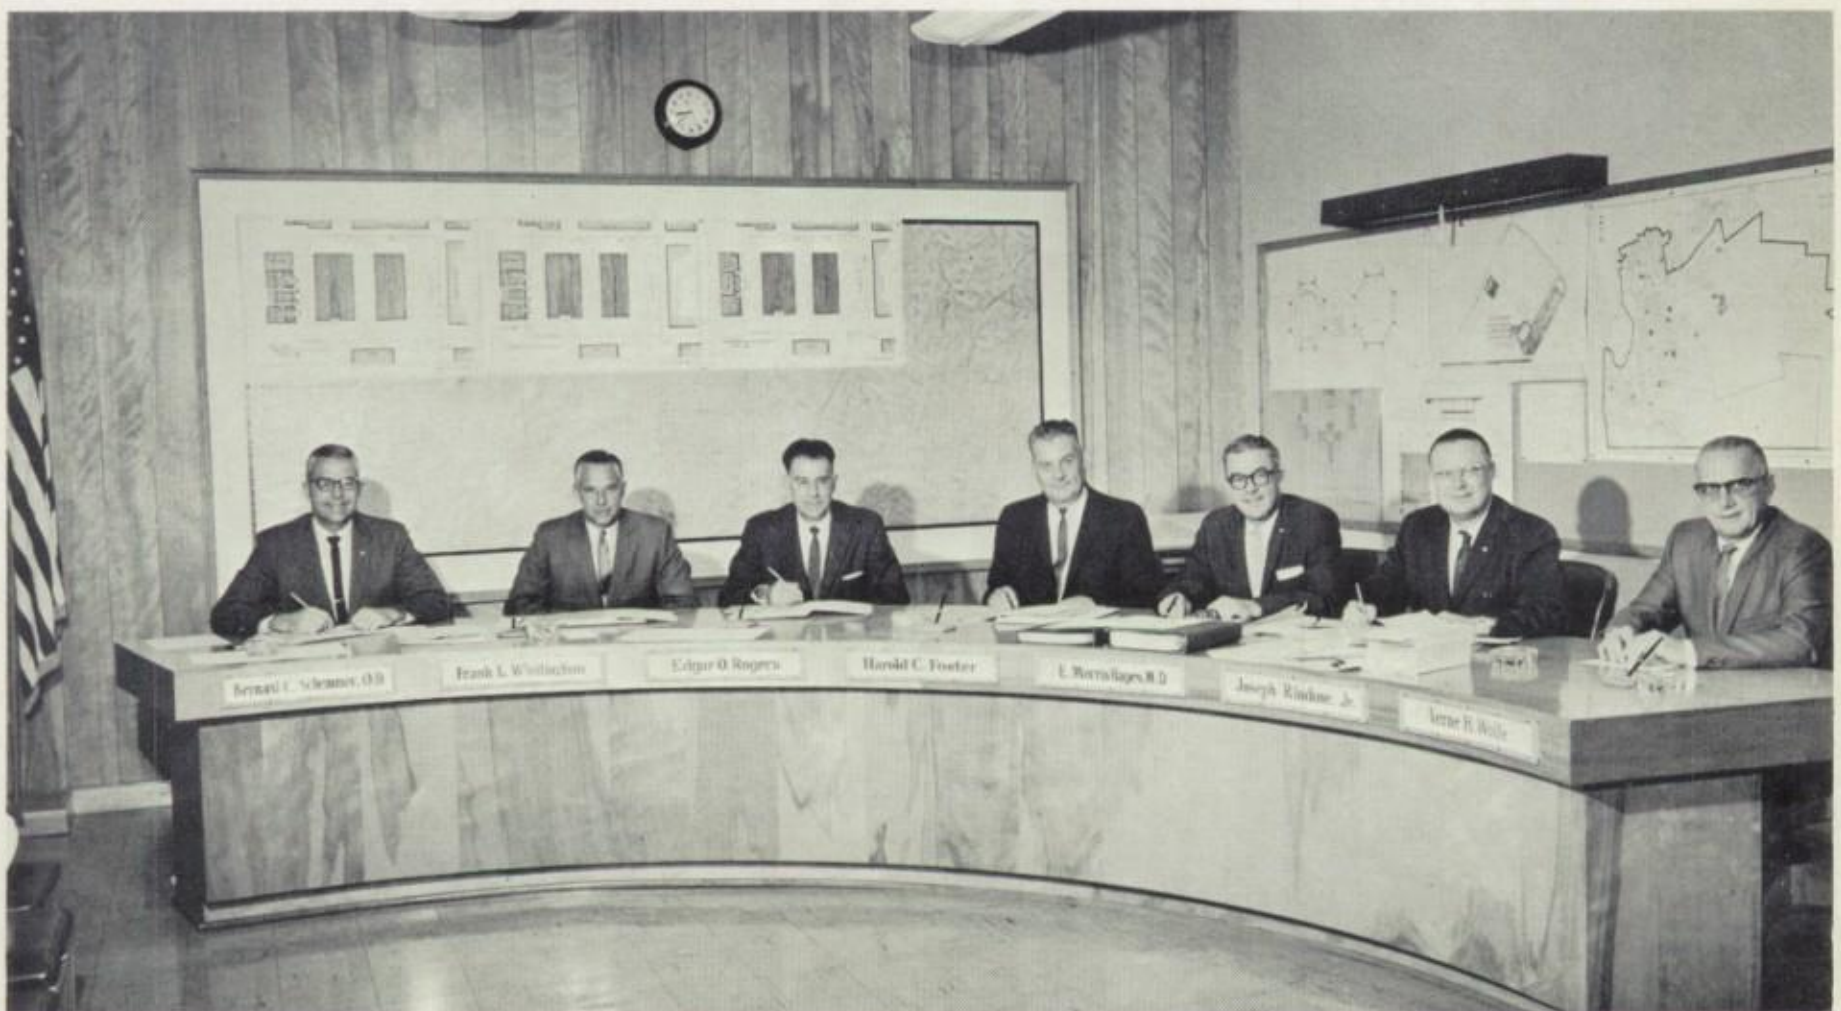

Mr. Eason, like Mr. Tomlinson, has two grades to counsel, ninth and seventh. He has patience, and is willing to listen to the problems of several hundred students. Students find it easy to talk to their counselors who are willing to help in any way.

The official dedication of Bonita Vista High School took place on December 4, 1966.

Joseph Rindone, Jr., Superintendent

The faculty here at Bonita Vista High could only advise, so the difficult job of molding Bonita Vista into a great school was left in the hands of the student body. During the beginning of the year, everything at BV was new and different. However, in just a few weeks, students had grown accustomed to school routine here at Bonita Vista. The "Spirit of '67" was quick to start, and continued throughout the year. Our everyday school activities helped to increase our loyalty toward BVHS.

Games, assemblies, dances, and other special activities all contributed to the success of our school. However, our success was not easily come by, but required a great deal of time and effort before it became a reality.

Speciality groups such as the bands, glee clubs, drill team, majorettes, and cheerleaders all surmounted great difficulties before they actually became organized groups.

Life at Bonita Vista was not all work and worry, however. Activities such as the Baronial Ball, Sports Night, Crazy Hat Day, Color Day, and Spirit Week all added to the fun and excitement here.

The student life section is filled with the pleasant memories and recollections of all BV students. Some of the most prominent include the elated happiness when we defeated Hilltop in a football game, the tension during overtime in the Mar Vista versus BVHS basketball game, the excitement during our first Sports Night, the respect when gold-medal winner, Mr. Billy Mills, spoke at our school, the suspense when our ASB officers were elected, the pride when we first raised our victory flag, and the anticipation when our first Football Queen was chosen. These emotions helped to unite students at Bonita Vista.

As our school developed through the enthusiasm and hard work of the student body, the "Spirit of '67" also grew. This spirit which led BVHS through the year inspired all Barons. Something as intangible as this can not be recorded on the pages of a yearbook. Instead, the student life section has captured the students, activities, and groups which have molded Bonita Vista High School and the "Spirit of '67."

## SEPTEMBER

The first week of school, students were made welcome to Bonita Vista High with a Howdy Dance held September 16. The dance was a big success and gave students the opportunity to become better acquainted with their fellow students.

Also during this first month cheerleading tryouts were held and BV majorettes performed for the first time during a game.

## OCTOBER

The month of October was highlighted by a visit from Olympic gold-medal winner Billy Mills who spoke at a BV assembly.

During this same month BVHS defeated Hilltop during an exciting football game.

Barons also welcomed Halloween ghosts, witches, devils, goblins, skeletons and other spooks as the month of October came to an end.

## NOVEMBER

Bonita Vista held its first ASB elections during November. Posters, signs, and witty slogans surrounded Barons as aspirants for offices campaigned for their positions.

The Barons initiated another lively tradition in the form of a Crazy Hat Day. From the weird and colorful assortment of head gear, a creation by E. Kaupplia was chosen as most original.

## JANUARY

Cherry-covered faces emerged from the pie-eating contest held at an after-dance during Spirit Week. Dampened spirits were expected after the loss to Hilltop that night but the mighty Barons came through with their usual enthusiasm and made it a success.

Also during the month of January was the whale hunt on Mission Bay, sponsored by the BVHS science classes.

## FEBRUARY

The short month of February witnessed many delighted viewers attending the faculty versus JV game. The audience grew tense as the fast moving game got under way.

Also during Sports Night, the G.A.A. defeated the Girls' League while all the girls scurried around in boxing gloves. BVHS had started another tradition with Sports Night.

## APRIL

Accompanied by the arrival of Spring was a new chance for students to make the most of their opportunities before the closing of another school year. Clash-Day was filled with an array of colors and prints, which left no doubt that this day was correctly named. Slave Day was another fun-filled day in April. The Sock Hop was sponsored by the EX-CALIBUR staff.

## MAY

Coming with the appearance of sunny skies above Bonita Vista was a more relaxed classroom atmosphere. During the month of May, students and teachers both seemed to benefit from more informal discussions held during class.

Mother's Day was the occasion which rated a fashion show given by the Girls' League and the homemaking class.

## DECEMBER

December proved to be a very busy month for most Bonita Barons. Tying in with holiday preparations, was the Girls' League Baronial Ball held December 16.

During this month, the official dedication for Bonita Vista High was held in the school gymnasium.

Students looked forward to a Merry Christmas and a jolly holiday season.

## MARCH

Highlighting March was Easter Vacation, which provided a welcome relief from classrooms for both students and teachers.

Spring sports such as tennis, golf, baseball, and track were introduced to BV students during this month.

Other activities included a St. Patrick's Day Dance, a lollipop sale, and tryouts for Glee Club soloists.

## JUNE

As the school year came to a close, it brought sighs of relief and anticipation of summer. On June 2, a dance was given which boosted Baron spirits during the last week of school. The yearbooks were distributed, and students had them signed by friends and teachers. The freshman class brought the year to an end with a dance on June ninth which proved to be a great success.

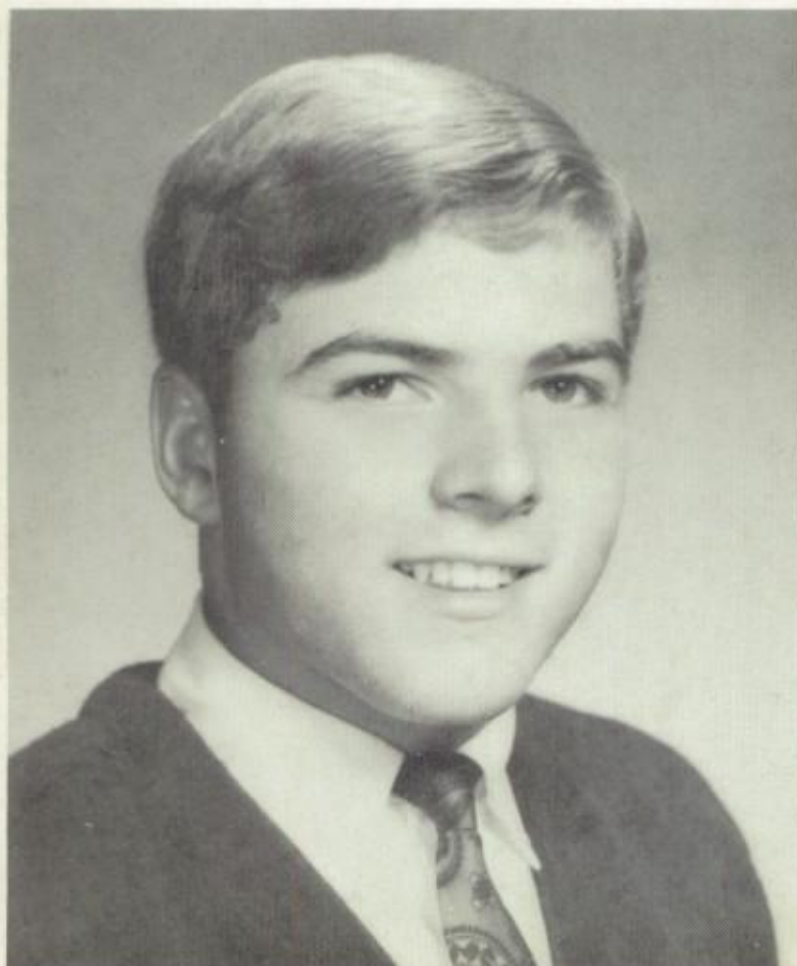

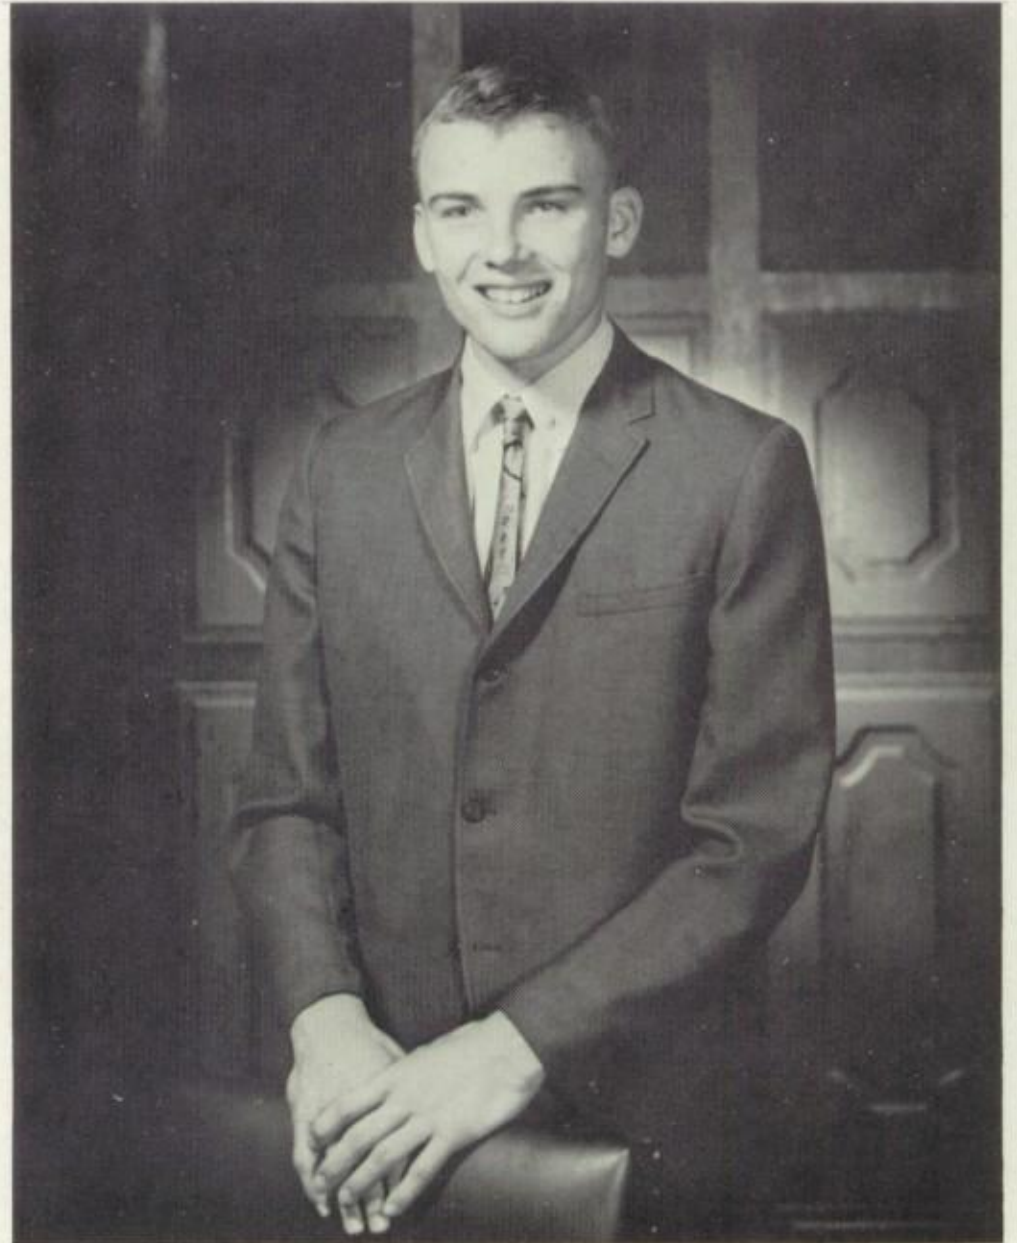

# Bonita Vista

Our ASB officers contributed greatly to the spirit and morale of our school. The efficiency of our school government helped encourage students to participate more actively. New and different ideas were contributed for the benefit of Bonita Vista High.

It was a difficult job developing our student government into a working organization. However, the success of the ASB officers and the rest of the student body can be seen today through the progress of Bonita Vista.

Heading Bonita's first student government, was ASB president Doug Single. Second in authority was John Buttitta, vice-president. Sue Krzywicki, a ninth grader, served as our first ASB secretary. These three students did their best in helping Bonita Vista become the greatest school in the district.

Officers for BVHS were not chosen until November 1. The reason for this delay was to give the students an opportunity to become acquainted before elections. Those who ran for an ASB office put up a vigorous and enthusiastic campaign. The effort exerted helped our government to progress.

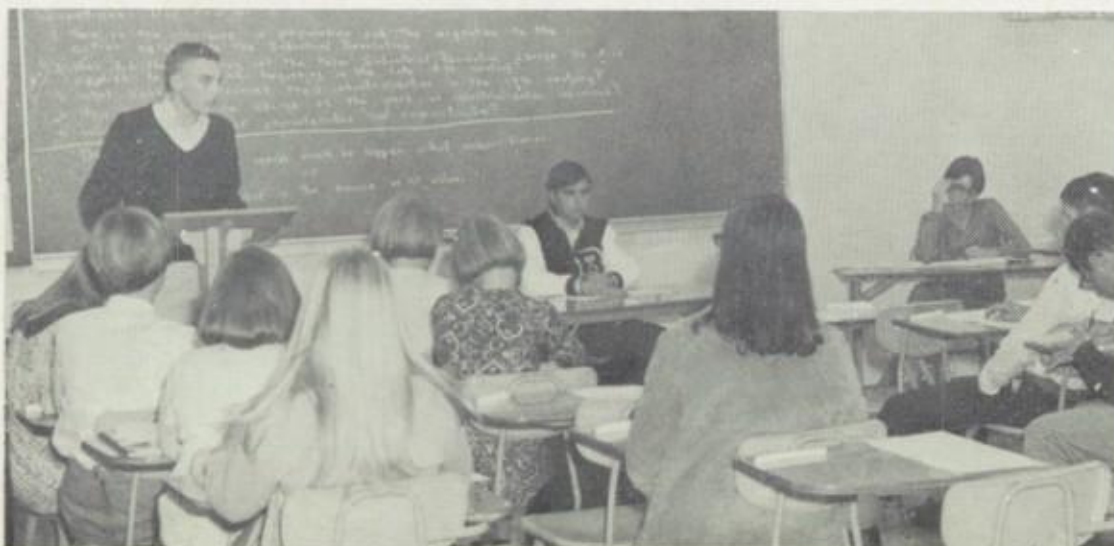

# Progresses Rapidly

The Student Committee, founded in April, 1966, was made up of students from Hilltop, Granger, and Castle Park Junior Highs, each of which were represented by two students each of the seventh, eighth, and ninth grade classes who met the challenge of getting Bonita Vista High School organized with driving determination. Members of the Student Committee were our first student government representatives. A few of the problems they had to deal with were choosing school colors and school nicknames for the student body to vote on when school officially opened in September. They accomplished much and made decisions which otherwise would have taken up valuable time during the school year. Because of diligence and persistent efforts on their part, the '66-'67 year at Bonita Vista got off to a great start. The student body of Bonita Vista High owes a tremendous amount of gratitude to their Student Committee. The Student Committee is to be commended for the excellent quality of its work. Advising the Committee was Mr. Schanke.

ASB Officers, Doug Single, Sue Krzywicki, and John Buttitta, "confer" during their lunch hour.

All of our ASB officers, senators, and assembly members worked together in producing a first class Bonita Vista government. The unity in student government displayed our great Spirit of '67. Assembly members and senators served as a link between the student body and the ASB officers.

Our first year provided a number of tasks for those involved in government to perform. A Bonita Vista constitution had to be drafted, and students were anxious to set traditions. These jobs were efficiently handled by our ASB government.

As part of his presidential duties, president Doug Single speaks at a Senate meeting.

Senators and commissioners composed an important part of our student government. Five senators from each grade were chosen by their classmates to represent their individual interests in all activities. Senators attended meetings and, by contributing ideas, were able to give fair student body representation.

Before acquiring the job of commissioner, students had to win the approval of the ASB. After being accepted, Bonita Vista's nine different commissioners settled down to the hard work at hand. Each commissioner had his own individual area which he represented.

Senators and commissioners added their new thoughts to Bonita Vista High School's already abundant supply of original ideas.

The majorettes have provided entertainment at Bonita Vista many times during football and basketball halftimes. Various routines performed to the tunes of such theme songs as Peter Gunn and Goldfinger were choreographed by them. Numerous hours have been spent practicing and rehearsing their different performances for the Chula Vista Christmas Parade, the Maytime Band Review, and many other competitive events. Under the direction of Mr. Sumner, the girls, in collaboration with the band and drill team, have done a spectacular job in representing Bonita Vista Barons in their first year.

Bonita Vista's Glee Club got off to a promising start this year. The choral group, which is directed by Mrs. Marilyn Campbell and Mr. William Sumner, gave many performances. These presentations included the Christmas Program, assemblies, the Spring Concert, and other events. The group spent innumerable hours rehearsing and practicing.

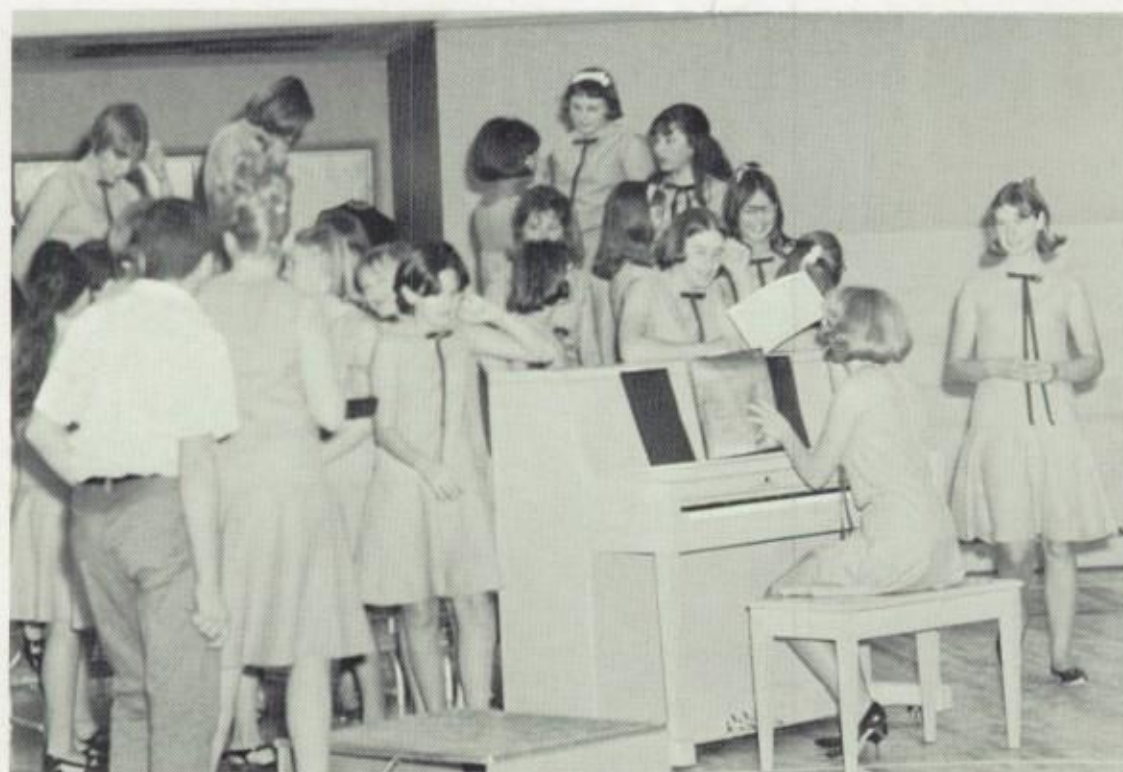

The Glee Club is made up of seventh, eighth, ninth, and tenth grade students who enjoy singing.

This group gives students an opportunity to show their talents while learning about music. The sincere efforts of the Glee Club provided manifest rewards in the form of experience and entertainment for others.

Concert Band practices to achieve perfection for an up-coming assembly.

The very backbone of Bonita Vista's "Spirit of '67" lies in the enthusiasm projected by our Concert Band. In order to present a truly beneficial and enjoyable assembly, our Pep Commissioner Carol Lechner has arranged so that all Baron supporters can listen to the talent in our Concert Band. The thirty-eight band members, under the leadership of Mr. Sumner, often are called upon to perform a few of the many pieces they have mastered this year.

Band members not only work feverishly at school refining their music, but they also practice daily in their homes. The Pep Band now exists as an indispensable organ of the student body. Bonita Vistans found themselves looking forward to attending assemblies, and football and basketball games when the band would play their familiar tunes. Without this group of individuals in the Pep Band, Bonita Vista just would not be complete.

# ground for Spirit of '67

Pep band members are: First row—Marilyn Miller, Jan Juarez, Mike McSwain, Leslie Martin, Jim Wilson, Dan Albert, Donald Donaldson. Second row—Steve Hughes, Mark Dolan, Richard Noe, Ken Labertew, Craig Thomas, Steve Loustalet, David Noe. Back Row—Bruce Hilt, Tim Chadick, Phil Crockett, Dean Fultz, Mark Shockey.

Mr. Charles Sumner is the advisor for band members.

Serious-minded Baron Band members take pride in their efforts and accomplishments.

Retaining the individualism of Bonita, it was decided we would have eight cheerleaders forming a Pep Squad, in lieu of four songleaders and four cheerleaders which is customary.

After selection by the student body, these girls were confronted with the task of learning new cheers. Having designed and made their uniforms they performed the following week at the Vista game.

Each girl considered being selected a great honor, and hours of practice were put forth to prove her worthiness of being cheerleader.

With undying enthusiasm, our Junior Varsity pep squad supported the Barons at every game and led us with spirited leaps and cheers. But cheering at games was not the extent of their duties. The eight girls also set an example of pride and interest in their school which inspired us other students.

The cheerleaders, symbol of the "Spirit of '67," represented the spirit of the student body as a whole.

Gale Speegle

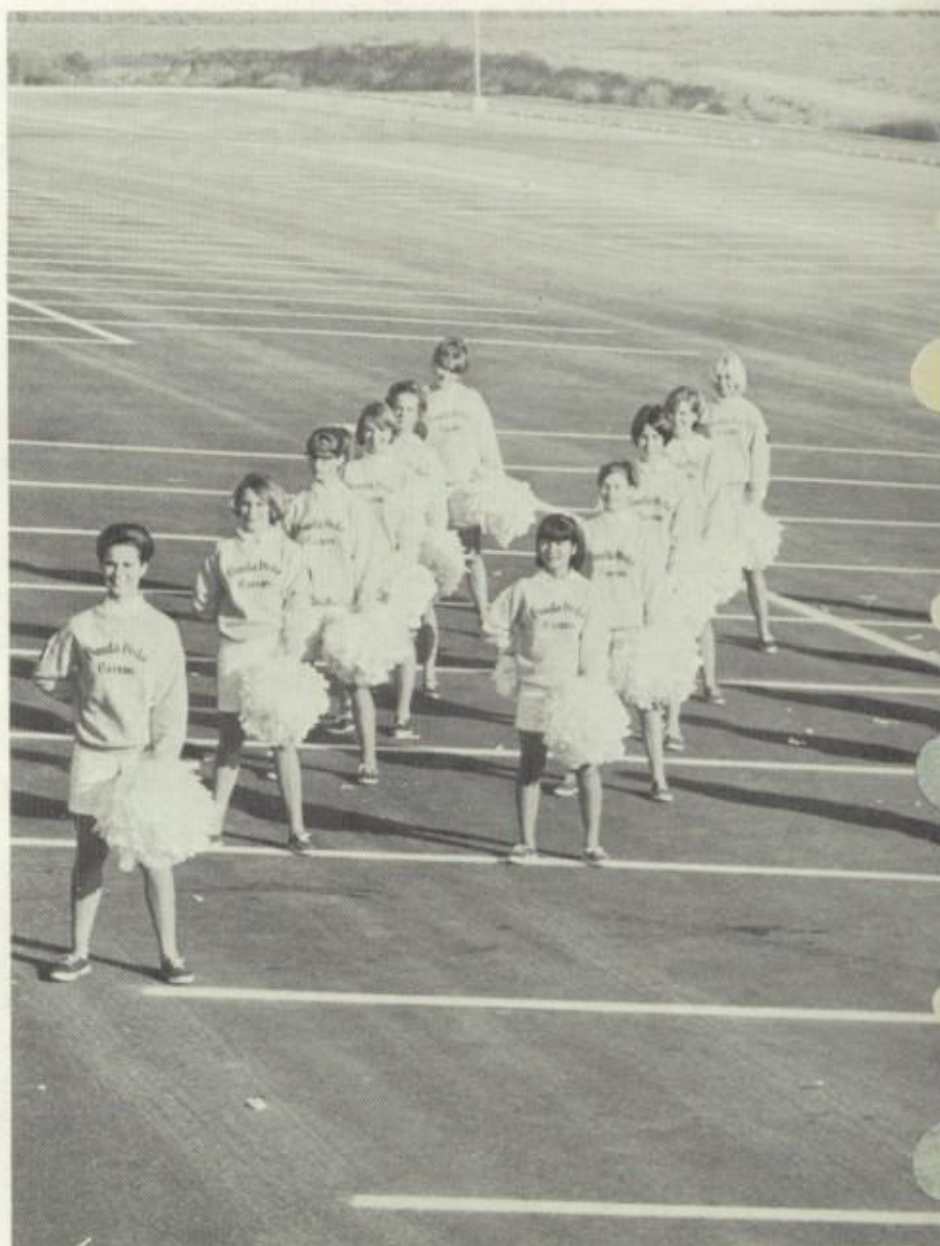

# B V H S

The fine Baron Spirit of '67 was displayed by our Bonita drill team during the first year of its existence. Like many other specialty groups the Baronettes had difficulties with uniforms and new routines. However, with the help of their advisor, Miss Gale Evans, their captain, Debbie Roberts, and their four lieutenants, the drill team developed into a very organized marching unit.

At the beginning of the year, the Baronettes sported, as uniforms, white bermudas with blue and gold stripes on the sides, a Baron sweatshirt, and blue tennis shoes.

The Baronettes first appearance was at the Bonita versus Hilltop game. The drillteam then continued to do a fine job performing at all the other football games

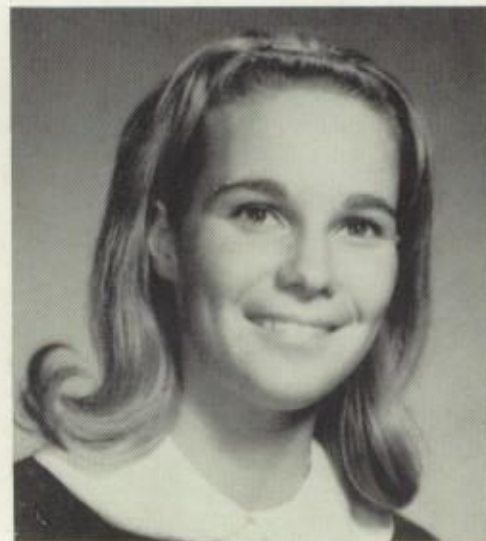

The thirty-eight girls who were members of our drill team kept up a high scholastic standard which enabled them to retain their membership in the Baronettes. These girls spent extra time after school practicing marching and doing their routines. Because of their interest and participation in school activities, these girls have contributed greatly to the formation of a winning school.

# Queen Terry

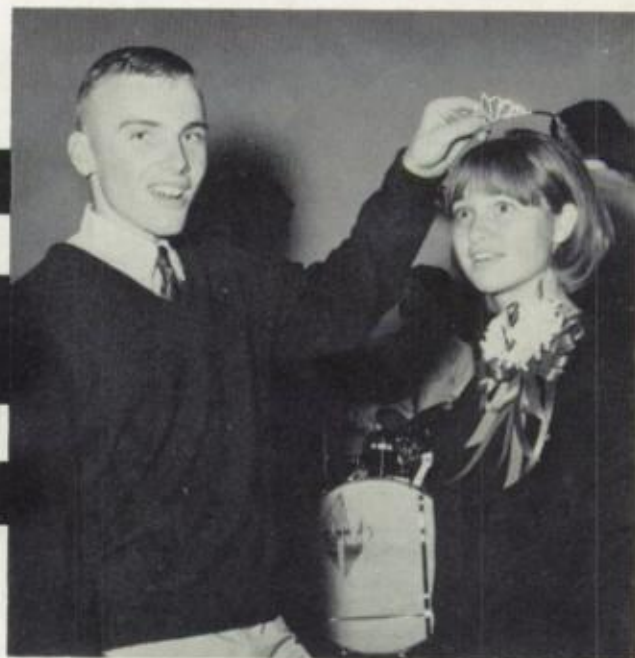

Smiling and waving enthusiastically to the crowds, Terry represents Bonita Vista in Chula Vista's Christmas Parade.

Anticipation was at its peak as Terry Bowers was crowned the first Bonita Vista High Football Queen. Terry reigned over our 1966-67 Football Dance.

Paula Quethera, Chris Miles, Sharon Brackin, and Barbara Howard competed against Terry for the title. The girls were each introduced to the student body at an assembly.

Our queen, Terry, is a peppy brown-eyed brunette known around school for her exceptional enthusiasm. Cheerleading, one of her favorite activities, occupies much of her spare time.

Terry represented Bonita Vista High at the Chula Vista Christmas Parade, as did the other Homecoming Queens from this area.

Surprised but happy Terry is crowned our first Football Queen by Doug Single.

All of the lovely candidates for Bonita Vista's first Football Queen deserved the honor of selection. From left to right are Chris Miles, Barbara Howard, Terry Bowers, Sharon Brackin, and Paula Quethera.

Sorry I keep running out of room. I don't want to say good-bye, so I won't. Good luck with all your boyfriends and behave yourself. We probably won't be in any classes together, so maybe our friendship won't always last. But I want it to if you do. So when you come back to school, don't act like you don't know me. We'll always be friends, won't we? Don't forget me, the girl with the funny looking nose. We'll see me in my new dress. I will go now. Love ya, Susan

One truly spirited angle of our school endeavor is fulfilled by Organizations. Campus clubs combine the two aspects of school life: activities and academics. Such clubs also provide outlets for creative interests and deviation from classroom curriculum. The enthusiasm of the studentry has given our clubs a tremendous start toward success.

Through many hours of hard work and planning by the advisors and student club officers, sixteen clubs were established this year with more organizations planned for next year. Four clubs, "S" Club, Service Club, Girls' League, and Key Club, were organized solely for the purpose of service. Definitely the quotation, "Service via Spirit," is a good description of the dedication that these organizations exhibited.

Four organizations, Citizenship, Lettermen, C.S.F., and Scholarship are honorary, giving proper respect to those individuals who have achieved great heights, and thus contributed to the glory of the Baron spirit. The remaining eight clubs, Modern Dance, Drama Club, Speech Club, Spanish Club, Pep Club, G.A.A., and the Newspaper and the Annual staff, have no connection with each other, but have sought by working individually in their own particular field to promote such an organization that would not only live up to the goal set by that club, but to the high standards of the sixteen clubs here at Bonita Vista High School. Most surely, we can be proud of the many accomplishments of our clubs. They exemplify what a dedicated club can do with spirit such as ours.

Perhaps a most important factor essential for a successful year-book is cooperation between the staff advisor and the editors, working together always, whether it be over layouts, captions, or copy. Annual production requires much hard work and responsibility. This year's EXCALIBUR staff overcame these problems and produced the first of many great yearbooks to come!

# They Honored Bonita Vista...

C.S.F. is the goal of all tenth grade students. Points are received for academic subjects, a few non-academic courses, and several extracurricular activities. An "A" is counted as three points and a "B" as one. A "C" does not count and a "D" or "F" automatically disqualifies the student. A total of ten points must be earned a semester in order to become a member.

For high ability in academic subjects a student becomes a member of the Scholarship Club. When he has been a member for six quarters he will receive a silver pin. For nine quarters a gold pin is awarded.

Courtesy, reliability, and co-operation are among the requirements for the Citizenship Club. For seven quarters a student is presented with a silver pin, and for ten quarters he receives a gold pin. Scholarship and Citizenship clubs are open to all 7th, 8th, and 9th grade students. Advisor—Mrs. Shuman.

Cliff Mello

Kandie Newing  
Vice-President

Terry Bowers  
Secretary-Treasurer

Bonita Vista has experienced an interesting and unique situation this year. It was the only school in Chula Vista to have seventh through tenth grade. In spite of this awkward situation, the tenth graders seemed to head the school very efficiently.

Cliff Mello, first Sophomore President, together with Kandie Newing, the Vice-President, and tenth grade Secretary-Treasurer Terry Bowers, planned and organized the many school activities that were sponsored by the tenth graders during all of last year. These student body officers established the Sophomore key and started the collection of future senior dues.

Though our Junior Varsity was only composed of ninth and tenth graders, we proved to have had a very successful year in all the sports in which we competed.

The tenth graders took on many of the seats in student government. A.S.B. President, Doug Single, did an excellent job of starting off the school. Sophomores filled many of the offices for Commissioners, and also had representatives in the Senate, and the Assembly.

Leading our school in spirit were Barbara Howard, Head Cheerleader, Kandie Newing, Assistant Head Cheerleader, Gale Speegle, Chris Miles, Terry Bowers, Linda Cowert, Jan Alexander and Cheryl Gibson. With the guidance of the Advisor, Miss Kimball, the girls strived to generate and promote enthusiasm in all school activities throughout the student body.

Without the help of Mr. Tomlinson and Mr. Schanke the sophomores would not have been such a great success.

Linda - Hope you had  
as much fun this year  
breaking in our new  
school as I did. It's been  
lots of fun knowing you.

The Bonita Vista Freshman class elected their first class officers on December 2, 1966. The three girls elected: Chris Gorden, Sandy Ives, and Jane Nelson, had the responsibility of leading their class, and demonstrating their leadership with the prime of their ability, for they were the first officers elected, and their leadership would be used as an example to the class officers in the future. This was not only a big responsibility, but also a privilege. It is hoped that these people will prolong their dedication to Bonita Vista and continue to accept responsibility.

The ninth graders will be the first class of this school to graduate into the tenth grade. Contrary to general procedure, they will remain here—a privilege because this school is Bonita Vista.

The Freshman class has contributed much to our school in the academic field, in athletics, and in their leadership as upperclassmen. Almost every ninth grader has worked hard to make this class respected, and they have succeeded. In future, may these students continue to contribute their best to the prosperity of Bonita Vista High School.

Laquetta N.

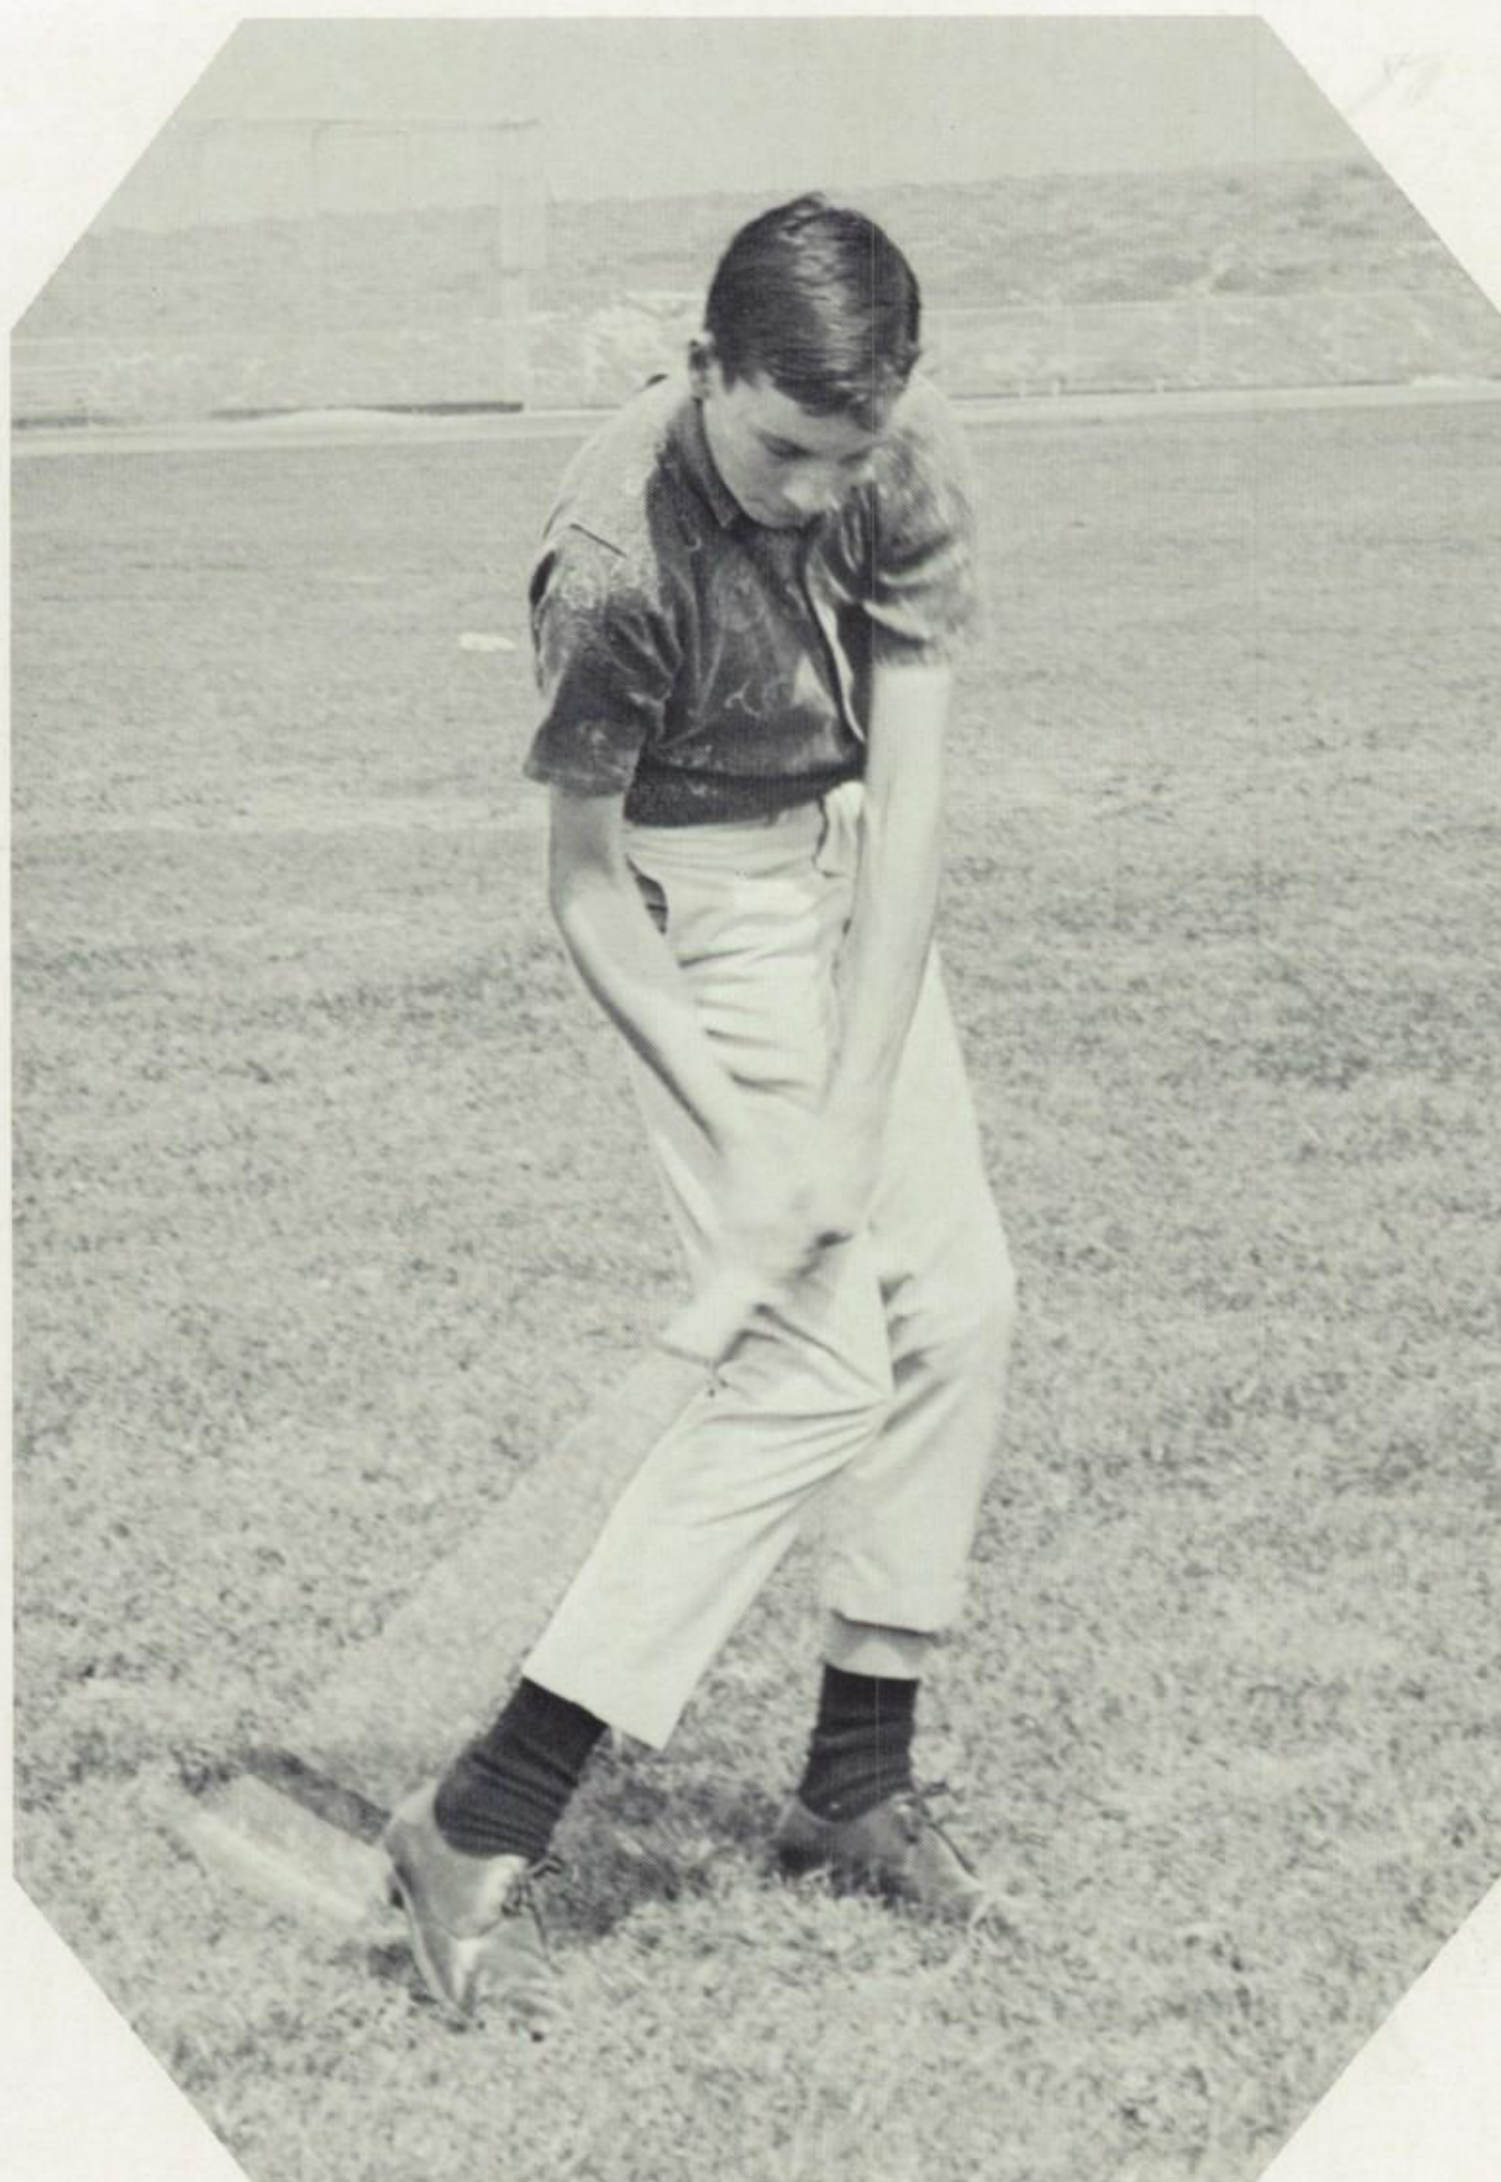

The marvelous success of Bonita Vista's first year in sports is the result of determined hard work and sacrifice by the coaches and their teams. Overcoming the handicap of their inexperience they exhibited a determined drive and enthusiasm which foretells winning seasons in Bonita's future. We have many hopes for the future of Cross Country teams at our school. Although they didn't have a tremendous season, they provided tough competition. Our gridgers had a successful season this year and it appears we will be hard to beat next year. Inexperience didn't hold back the Bonita Vista matmen.

Barons sent seven wrestlers to C.I.F. finals with three boys going all the way to the semi-finals. Our Sophomore basketball team had a somewhat un-sensational season although their magnificent spirit and unequalled sportsmanship provided an excellent example to our school and many others. BV's junior varsity cagers were enthusiastic throughout their unsuccessful season. Golf, one of the first of our varsity teams, is determining towering goals.

This year the Tennis team intends to end the season a winning team. Our Baseball and Track teams are improving immensely. We're proud of all team members.

## BARONS CAPTURE FOURTH PLACE

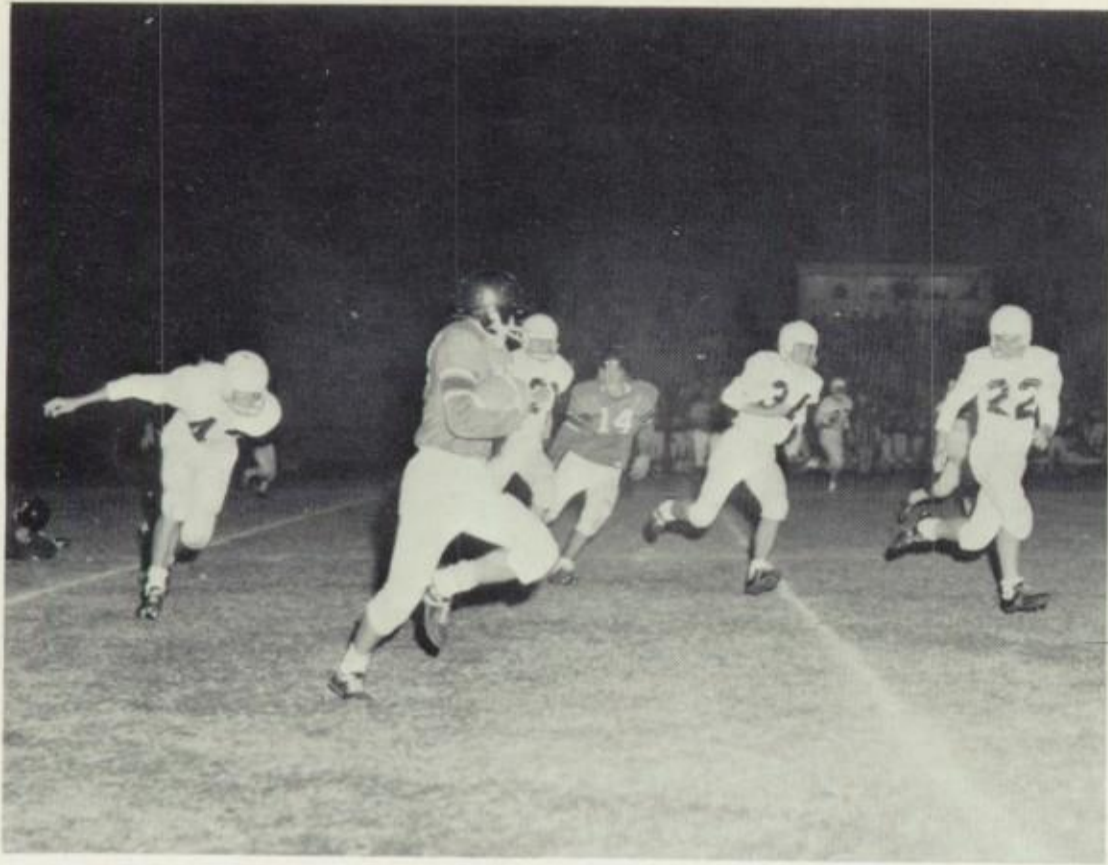

The Metro-league's fourth place was won by the Barons this year to make Bonita Vista the highest Metro-league winner for a first year school. This first season was a very important one, despite the fact we did not have a varsity team. We are all very proud to remember the first game Bonita Vista ever played, against Fallbrook. It was one of the most exciting games all season. During the first three quarters our team was held scoreless, but the Barons never gave up, with a quick driving effort in the fourth quarter our team gained thirteen points in two minutes to win the game by one point. Who said thirteen was an unlucky number? The whole season was thrilling however, and all the games were exciting.

Karl Rieger and Cliff Mello tackle a Mar Vista end for a loss of yardage.

Chuck Golden leaps high trying to intercept a Mar Vista pass.

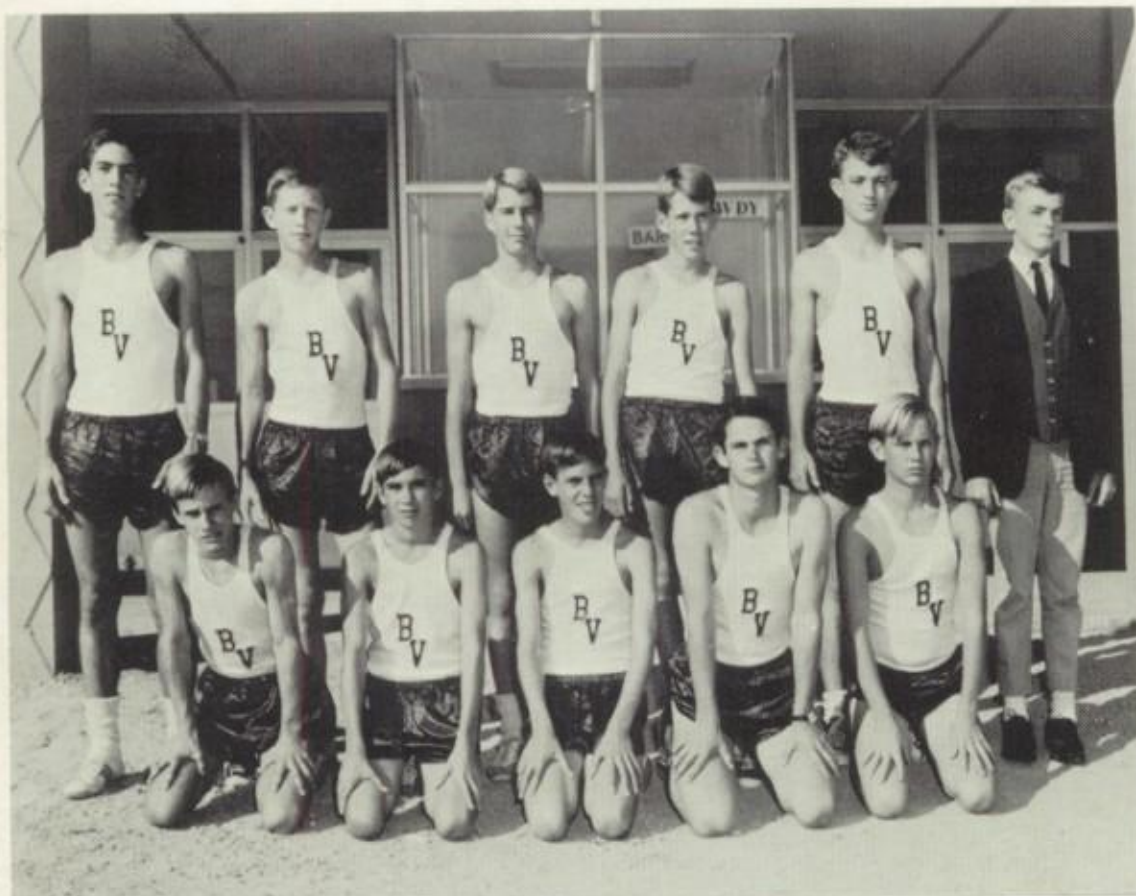

Golden, Baker, Smith and Schnepf surround a Hilltop carrier.

John Buttitta sweeps by a Castle Park tackler.

Steve Slamon crashes through the Hilltop line with blocking by John Gilman and Chuck Golden.

Back Row—Gregg Blair, Jon Perry, Harley Aubol, Randy Clark, Clinton Hayes, Tom Saterstrom, manager. Front Row—Mike Minkler, Don Coppock, Phil Coppock, Ed Chavez, Don Armstrong.

## Cross Country

The dramatic climax of the 1966-67 Cross-Country season came when Bonita won two meets for the first time. Although the Barons were running against Juniors and Seniors all season they looked sharp. Headed by Gregg Blair, Most Valuable Runner, the Cross-Country team has high hopes for finishing on top next year.

Gregg Blair leads in track meet as Randy Clark and Mike Minkler come up fast.

Mike Minkler crosses the bridge over the gully with Clinton Hayes and Phil Coppock following.

Steve Slamon jumps high over the out-stretched arms of the Chula Vista guards for a goal for Bonita.

## Tracksters Team-up

The track team was off to a slow start this year. However, they, like all of Bonita's sports teams, are competing against seasoned athletes from long-established area schools. Because of the A, B, C divisions, some members of our track team are running in varsity competition. This makes it possible for a trackman to be one of the first to earn a Bonita Vista varsity letter. Good luck to them for a good finish to their season.

Bonita's baseball team got off to a smooth start this season by defeating both Monte Vista and Marian in the first non-league games. Gaining experience and improving all the time they surely will rate high in the tough Metro League.

The Baron team is led by several good players. The first few games the Barons played showed they were weak in hitting. Their mistakes were erased though and the Barons proved it by earning runs against Marian for their third win. A good combination of this hitting and good pitching should put the Barons at the top of the league many times.

## Varsity Golf

Mr. Tomlinson  
Coach

As a first year team the golf squad surprised many people with their remarkably good season. Even against the Hilltop and Coronado teams the squad showed the true Baron fighting spirit. With their hard work and devotion to their sport the clubmen quickly worked up to par with the other league teams. With another year of experience they look forward to a league title.

Don Baker lofts one to the green for another par.

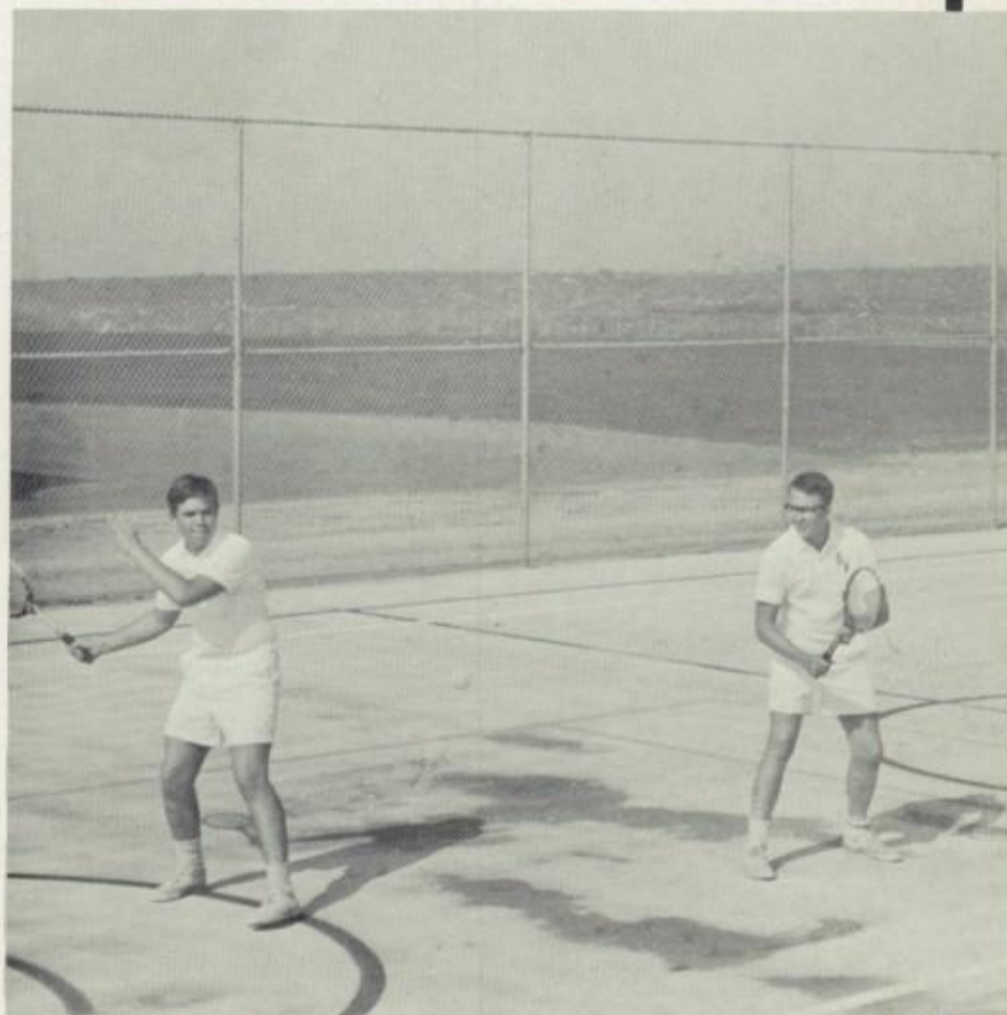

Top row, left to right: Mr. Foley, K. Ulle, D. Armstrong, G. Paquette, S. Froetscher, R. Hilgendorf. Bottom row: F. Guidry, M. Minkler, K. Phillips, J. Stacy, L. Smith.

## Tennis

Under the experienced coaching of Mr. Foley, the tennis team had a "swinging" season. Although most of the netmen had a lack of experience at the beginning of the season, through hard work and perseverance they overcame this disadvantage. With a determined spirit the team looked towards a winning season as a first year team.

Frank Guidry comes up to the net to score another B.V. point.

As a member of our doubles team, Steve Froetscher makes another beautiful return while Gary Paquette plays back to return the opponent's next shot.

New people. New school. And a new way of life. When the 1966 school year commenced our eighth grade was given the opportunity to participate in making Bonita Vista an excellent high school. Their arrival was accompanied by a sense of spirit and an understanding eagerness to learn and enjoy a new type of school life — a kind of school life they would be proud of. This eighth grade was an important asset in sending Bonita Vista off with a good start. More than one-fourth of this boost was given by Bonita's largest class, the eighth grade. Through this year they projected a challenging spirit while competing for recognition as a distinct class. The eighth graders have been recognized by the Associated Student Body as having the highest A.S.B. card sales at Bonita Vista High in 1966.

Eighth graders were represented in the senate of the Associated Student Body by Danny Weinberger, Laura Switzer, Cindy Carnahan, Susan Swift, and David Arendt. Their determination, drive, and ambition helped to create a motivating force in the new Bonita Vista High School Senate.

Being placed into a new high school takes maturity and understanding, even a little courage. It was realized that in order to make Bonita Vista an outstanding school, the underclassmen would have to conform to high school life. The student body felt that the eighth grade dealt with the obstacles as they arose. Together the class took great pride in developing Bonita Vista. Their support fired enthusiasm at many events. This rising class speaks well for Bonita's future.

For the seventh graders, the first year at Bonita Vista High proved to be somewhat of a challenge. Being at high school they experienced and enjoyed some of the benefits of high school students.

This transition, from an elementary school to a senior high was a real change, but the seventh grade students have proven that they are able to undertake any problem with great ease.

By projecting such invigorating spirit, the seventh graders have promoted several of many school programs thereby arousing enthusiasm in the entire school. These underclassmen selected the winning name of our annual. The "Spirit of 67" has shown through by the lively pep displayed this year at athletic events, dances, and assemblies.

In the future they will feel they helped make Bonita a success. Not only have they helped the school, but the school aided them, by rounding out their personalities, helping them to find new friends and making them better people.

We are grateful to these seventh grade pupils for partaking so sincerely in many school activities thereby setting a pace for the remaining three grades. We can feel confident that when these young people have advanced toward a higher academic level, they will embody the leadership qualities that it takes to carry out the demands of an Associated Student Body. The seventh grade has shown that they are proud of our school, proud to be Barons.

Linda, the  
 through it seems  
 years as if our friendship  
 as if I look back on something we  
 I hope we have a better year, we  
 will be a real great girl always a-  
 your a sure you'll see and

#### EXCALIBUR SPONSORS

This first year for Bonita Vista was the most important one. As one of the many firsts, the EXCALIBUR also is one. As we drive down one Chula Vista business district, the enterprising drive of Bonita Vista's sponsors is revealed. Their support of the Baron's student body was through their advertising. It displayed their interests in the future of the community. They have their goals and hopes much the same as we do, they are constantly trying to achieve them. By sponsoring this yearbook and giving us the encouragement, they also benefit. The advertising will help these establishments prosper and meet their goals. Through the generosity of the South Bay merchants they have helped to meet the financial requirements of our annual. Help us show our appreciation. Let's patronize their stores.

Linda,  
I wish I had  
gotten to know you  
better this year. Maybe  
next year. I hope I see  
you this summer. Good  
luck forever -

# EPILOGUE

This has been a year of firsts for Bonita Vista High School. An observer would have been impressed by the amount of progress made by the mighty Barons in one short year. As the student body of the newest high school in the district, we amazed many people with our success in athletics and scholastic achievements.

Bonita Vista has come a long way from the barren land and the empty buildings of September. The grounds are now green and the buildings are no longer empty.

Our Student Committee worked all summer, but even with their outstanding abilities the foundations of our great school spirit couldn't solidly be built until the students themselves voted on A.S.B. officers, school colors, and a school nickname. We can take pride in the fact that we have set traditions worthy of the Barons to follow. We will leave Bonita Vista High for the summer knowing that we are leaving it a better place. There is still a lot to be accomplished, but we have made an excellent start.

Following years will also be filled with the setting of traditions but this year has surely been the most significant.

Thanks to the students, the faculty, and most of all to the "Spirit of '67", Bonita Vista High School is the greatest!

Linda's  
so nice  
and Bobbie to  
visit me, Sunday,  
and Nancy in the  
strawberry fields. We  
really appreciated it, be-  
cause it was only the Mexican  
pickers for company. We're going  
to this summer, and I got to

Linda.  
We've had some pretty fun times this year. I had  
so much fun when we use to go to each other  
houses all the time. I hated it when our friend  
ship kind of flopped. I never could  
understand why it did, but I guess you  
have more fun with Chris. Linda, ~~get~~  
you've been about the best friend I ever had  
and I'm not just saying it, really. Because  
everytime I have a problem I fell free to  
come to you and tell you, because you under-  
stand. Well I guess I won't be seeing  
you for the summer, I hope you have  
fun, and if you ever get  
bored →

We've had a real blast this  
I'll never forget some of the  
stuff we've done this year.  
wish you had of gone out for  
coverleader cause you would be  
and we could screw around  
did this year. I have alot of  
summer. I'll see ya next year.  
Best of luck all

Linda,  
It's been really  
litchen knowing you  
this year. You a real  
sweet kid. Stay as  
close to see you and I  
at this summer and I  
beach. Be good. at the
